Project Title: Cheyenne Traditional - Classroom, Gymnasium and Parking lot addition / re-construction

Project Detail: The Cheyenne Traditional School campus will have an approximately 5,000 sq. ft. science and technology classroom building along with an approximately 15,000 sq. ft. gymnasium building constructed on the existing campus. The east parking lot will be re-configured to enhance the drop-off and pick-up traffic (4th-8th Grade) as well as emergency service access to the campus during school start and dismissal times. A new parking lot on the south side of the campus will be added to create additional parking for the campus and extend K-3 drop-off and pick-up queuing to removed that traffic from 100th Street which is expected to enhance emergency services access to the campus.

Project Date Range: 9/1/2017 **TO** 5/1/2017

Total Project Cost: \$8,585,000.00 **Adjacent Ways Cost:** \$879,285.00

Board Meeting Date:

Validation Status: Review Pending

Staff Analysis: Staff requests a copy of all civil and architectural drawings to review the total scope to include all onsite utility drawings.

3/1/2018: please provide the the owner cost for the additional parking outside of the AW project and cost.

Board Decision:
