Project Title: Asphalt & Paving at Multiple Sites

Project Detail: This project involves multiple sites. Vulture Peak Middle School: Remove existing asphalt within area shown; recompact existing base material and pave with 2" A.C. to multiple widths designated within plans; grade area for continuous slope from back of existing sidewalk to edge of new pavement; construct pavement termination per MAG; relocate existing sign; remove existing chain link fence. Re-install existing chain link fence. Re-install fence outside of new paving limits. Coordinate removal and installation with District.

Project Date Range: 10/1/2017 **TO** 1/1/2018

Total Project Cost: \$167,742.00 **Adjacent Ways Cost:** \$98,185.00

Board Meeting Date:

Validation Status: Review Pending

Staff Analysis: Please provide bus lane and student drop-off locations as well as fire hydrant locations on the site drawings. Also, provide a schedule of values with the on-site Adjacent Ways broke out from the rest of the project cost.

Board Decision:
