Project Title: Property Line Fencing Replacement

Project Detail: The original fencing along the western property line separating the school site from the adjacent City of Glendale Public Park is rusted through in a significant number of areas and needs to be replaced. Treating the rusted portions and painting is no longer practical given the extent of the damage. The new fence will consist of galvanized chain link to prevent this from happening in the future.

Total Project Cost: \$26,462.98 **Adjacent Ways Cost:** \$26,462.98
