Project Title: Widen Road

Project Detail: The egress and regress at the corner of the Bus Barn entrance is too narrow. The buses are starting to tear up the road on the far corner. The unpaved area there is landscaped with rock and the rock is constantly being thrown into the road by the buses tires causing a skidding situation. I had Ace Asphalt do a cost analysis to fix the situation and the cost of widening the corner comes to \$9,355.16.

Project Date Range: 6/1/2019 **TO** 7/1/2019

Total Project Cost: \$9,355.16 **Adjacent Ways Cost:** \$9,355.16
