

## Spring Incentives Sale

From **March 1 to June 1, 2013**, Solutions for Business is having a sale on incentives for popular lighting measures. The first \$500,000 in incentives requested will take advantage of this limited-time offer, **so act quickly** to decide on a project and submit your Pre-Notification Application.

The sale features 10 measures, including T12 to premium T8 conversions, select LED lighting and refrigerated LED case lighting with/without motion sensors. Bonuses range from 13 to 50 percent above standard rebates.

### Follow these four easy steps:

1. Select your measures.
2. Download an [application](#) and submit your Pre-Notification Application.
3. Install the equipment.
4. Complete the project and submit a Final Application and all documentation by **June 1, 2013**.

### Eligibility requirements:

New incentive [applications](#) containing the measures specified above will be eligible for an incentive special if the following conditions are met:

- Incentive application reflects new work (all Pre-Notification and Final Applications submitted prior

to March 1, 2013, will receive the standard rates).

- Pre-Notification Applications are required.
- Proof of contract is required for pre-applications >\$15,000 in incentives.
- Final Applications for incentive specials must be received by June 1, 2013, in order to receive the increased rate. All Final Applications received after this date will receive standard rates.
- The cap for incentive specials is \$500,000. Once funding is exhausted, customers/contractors will be notified, and standard rates will apply going forward.
