EPA Clean Diesel News: 3/26/2009

EPA's National Clean Diesel Campaign is pleased to announce that the Frequently Asked Questions document is now available for the National Clean Diesel Funding Assistance Request for Applications:

<http://www.epa.gov/otaq/eparecovery/documents/faq-national-rfa.pdf>

This document applies only to the National Program RFA. The FAQs for the Smartway Finance Program RFA and the Clean Diesel Emerging Technologies Program RFA will be available shortly.

Please continue to check the main recovery page as well as the individual program pages for periodic FAQ updates:

To ensure that all information is made equally available to all potential applicants, EPA staff may not answer individual questions regarding the Requests for Applications. EPA will only accept questions in writing to the EPA Clean Diesel mailbox at: Cleandiesel@epa.gov

Additional guidance information is now available on a new National Clean Diesel Campaign Web page: Tools and Resources.
