

# Save More with APS Solutions for Business Rebates

## REBATES INCREASED: Don't Miss this Limited Time Offer

The APS Solutions for Business program is temporarily **raising the rebate amount** for three prescriptive measures. This offer is open to any APS non-residential customer that meets the program's standard eligibility requirements. To qualify for the increased rebate, you must submit your final application by November 30, 2010.

These special, limited time offer rebates are available for:

- ↑ **Variable Speed Drives:** Rebate increases from \$50 to **\$60 per horsepower**
- ↑ **HID Conversion:** Rebate increases by **\$25 per fixture**
- ↑ **Specialty CFLs** (downlight, dimmable, 3-way, locking base): Rebate increases from \$1.75 to **\$5.00 per lamp**

Look for this symbol on the lighting and motors worksheets to identify the special offers. Be sure to submit your final application with all required documentation by November 30, 2010, so you don't miss out on this unique opportunity.

## Long-Term Incentive Changes

The APS Solutions for Business program is raising the rebate value for five additional program measures. The change is effective as of June 1, 2010, and does not have an expiration date. All new incentive applications with these measures will be reserved and paid at the higher rebate amount.

- ↑ **Daylight controls:** Rebate increases from \$0.12 to \$0.30 per connected Watt
- ↑ **De-lamping 4-ft and 8-ft lamps:** Rebate increases from \$5 to \$10 per lamp
- ↑ **Economizers:** Rebate increases from \$15 to \$40 per ton
- ↑ **High efficiency ice makers:** Rebate increases from \$45 to \$300 per unit
- ↑ **Snack machine controls:** Rebate increases from \$25 to \$50 per unit

The program will also be reducing the rebate for programmable thermostats from \$50 per unit to \$40. Applications for programmable thermostats received before June 1 and paid by September 30 will be paid at \$50 per unit. Applications received after June 1 will be reserved at \$40 per unit.
