RE: September 2019 School Facilities Board Meeting Recap

At today's September 2019 Arizona School Facilities Board meeting, the Board approved \$2.7 Million in Building Renewal Grant (BRG) funding to 46 Arizona K-12 School Districts covering 79 separate projects to correct facilities deficiencies. The majority of awards were for HVAC projects, followed by roofing, and plumbing projects.

The Board also approved \$227,796 in Emergency Deficiencies Correction (EDC) funding for one school district (The EDC fund is separate from the BRG fund).

The Board's actions provide funding needed to ensure Arizona's students have adequate facilities to foster a creative learning environment. The SFB encourages Districts to apply for BRG funding if deficiencies exist. The next Board meeting will be held on October 2, 2019.

About the Arizona School Facilities Board

Created in 1998, the Arizona School Facilities Board (AZSFB) is a cabinet-level, state-government agency managing nearly \$300 Million in state funding appropriated for K-12 school district facilities. The 10-member board meets monthly to grant funding for new school construction and to correct deficiencies at existing school facilities. AZSFB staff is a partner and advocate for school districts in facilitating successful grant requests.
