RE: ACTION REQUESTED: Annual SFB Customer Satisfaction Survey

Staff requests that all school districts take a quick moment to complete the SFB Annual Customer Satisfaction Survey. The very short survey consists of 7 questions for districts to score SFB performance and is submitted online.

To submit, visit www.azsfb.gov, click on DISTRICT ACCESS, then choose your district from the drop-down menu, and select CUSTOMER SATISFACTION SURVEY under the MAIN tab.

Help the SFB continue to improve our service and 'value proposition' to school districts by submitting your survey today.

About the Arizona School Facilities Board

Created in 1998, the Arizona School Facilities Board (AZSFB) is a cabinet-level, state-government agency managing nearly \$300 Million in state funding appropriated for K-12 school district facilities. The 10-member board meets monthly to grant funding for new school construction and to correct deficiencies at existing school facilities. AZSFB staff is a partner and advocate for school districts in facilitating successful grant requests.
