Note: The ADM yield factor for FY2010 is calculated by dividing a district's 100th day FY 2010 ADM by the number of housing units in that district as of the Census Day (April 1, 2010). Data sources: ADM from Arizona Department of Education; Population and housing information from U.S. Census 2010 (by school district). Neither the SFB nor the source agencies can guarantee the accuracy of the information presented here. It should be noted that a district's ADM yield factor can change considerably over time depending on the changing demographics of the district.

*School district that has more than 20% of its population living in group quarters.
