**RE:** Advocating for Districts – Cartwright Elementary

Thanks to Cartwright Elementary School District for letting us know our “assistance has been an invaluable asset to our District” regarding a roofing project at Glenn L. Downs school.

The School Facilities Board approved the assessment phase in December 2017 but the design phase stalled for about a year. By partnering with SFB Liaison Stephanie Vassar, Cartwright was able to get the design phase moving again and a Board approval in January 2019 for \$27,000. The design has since been completed and the roofing project is back on track.

This is our ‘value proposition’ at work. How can we bring value to you?

**About the Arizona School Facilities Board**

Created in 1998, the Arizona School Facilities Board (AZSFB) is a cabinet-level, state-government agency managing \$350 Million in state funding appropriated for K-12 school district facilities. The 10-member board meets monthly to grant financing for new school construction and funding to renew existing school facilities. AZSFB staff is a partner and advocate for school districts in facilitating successful grant requests.
