RE: Reminder about SFB new Roof Inspection Protocol

SFB staff reminds all Arizona school districts who have yet to implement the Board's new Roof Inspection Protocol to do so before July 1, 2019. The new roofing policy was adopted as of February 6, 2019 and many districts began incorporating the updated requirements immediately. SFB staff wanted to give districts time to prepare before the policy guidelines become effective on July 1, 2019. After July 1, the protocol will be required for approval of all applicable roofing Building Renewal Grants.

Click [HERE](#) to view the Roof Inspection Protocol. SFB staff urges all school districts to begin compliance with the policy today.

Please contact us with any questions.

About the Arizona School Facilities Board

Created in 1994, the Arizona School Facilities Board (AZSFB) is a cabinet-level, state agency managing \$650 Million in state funding for K-12 school district facilities. The 10-member board meets monthly to grant financing for new school construction and funding to renew existing school facilities. AZSFB staff is a partner/advocate for school districts in facilitating successful Building Renewal Grant requests.
