**Application Title:** MVE FIRE ALARM PROJECT

**Description of Problem**

Please include a detailed description of the issues, as well as a description of and a copy of any professional studies, citations or reports from government entities, recommended solutions, and any cost information or estimates. If additional space is needed, please attach.

The alarm system system at Mohave Valley Elem. continues to short-circuit. After requesting a preliminary quote from Cintas, the problem appears to be in the wiring. At this time all splice points must be gone thru and circuits must be determined where all existing wiring routes (both initiating and indicating circuits), as well as data loops for the alarm panel. the system needs to be replaced - an alarm system is regarded as a safety device.

**Project Category:** Special Systems

**Are any of the above-described issues in buildings or part of buildings that are leased to another entity, including a district sponsored charter school?** N

**Available Funding** Was money to address this issue included in your adopted budget for this fiscal year? **N**

Current unencumbered building renewal fund balance (Fund 690):	\$1,869.13
Current fiscal year building renewal expenditures:	\$0.00
Current balance of unrestricted capital:	\$0.00

Please outline any associated insurance coverage.

The district does not have sufficient funds to cover the project. The district does have \$40,000 in unrestricted that is earmarked for curriculum for common core requirements, and the \$1,869.13 in our BRF is earmarked for the certification of our fire panels.
