PROPOSAL # 61111

General Description

ALHAMBRA- Simpson SN#N1207060558

Quote request per Sam Garcia

Climatec proposes to replacement the existing 3" Febco 825YD Domestic backflow assembly Serial Number #N1207060558 attached to water meter #17558541 located on the East side of the School along the sidewalk.

This unit has been repaired multiple times in the past and is an older assembly that is no longer being manufactured, that is in poor condition. Suggest replacing this assembly with a new Febco 860 assembly due to poor condition and age.

Note; this replacement will require 3 technicians. new assembly weight 233 lbs.
