Project Title:	Fire lane			
Project Detail:	<div>We're installing electronic gates at the high school side and middle school side of Bus Barn Road to control the entrance at the back of the schools. This will enhance the safety of the students and staff. To do so we must connect the middle school gym parking lot with Bus Barn road for a fire lane. The road needs to be 10,370 square feet and 26 feet wide. Three contractors have bid and the lowest was Ace Asphalt. They came in at a cost of \$54,157.27.</div>
