

**Current Status:** Resubmitted                      9/18/2019 3:56:33 PM                      **Submission ID:** 1286

**Initial Submission Date:** 6/19/2019

**Resubmission Date:** 9/18/2019

**District Name:** Maricopa Unified School District

**Contact Person:** Scott Fall-Leaf

**Contact Phone:** 5205685103

**Contact Email:** sfall-leaf@musd20.org

**School:** Maricopa High School

**Site Address:** 19595 N Taft Ave

**Project Title:** High School Modular Installation

**Project Detail:** City fire marshall has jurisdiction for this District because of an IGA per statute. District installed modulares to meet rapid growth until new SFB approved high school can be constructed.  
Fire Marshall required drives, and automatic gates/operators for fire vehicle access. These access points are for fire personnel ONLY.  
District would like to use adjacent ways funds for this work.

**Project Date Range:** 7/1/2019                      **TO**                      8/1/2019

**Total Project Cost:** \$128,684.00                      **Adjacent Ways Cost:** \$128,684.00

**Board Meeting Date:**

**Validation Status:** Review Pending

**Staff Analysis:** Please submit with the SFB Schedule of Values Form.  
  
On the form, identify the fire gates and the onsite electrical connections as district costs.  
  
Call me if you have any questions. Thank you.
