Amendment

Amphitheater Public Schools Prince Elementary School Bus Loop

BG Project No: 17.14.40

Request for Bid No: 07-30-2019

AMENDMENT ONE – Date: July 24, 2019

TO ALL BIDDERS:

The following Amendment shall be incorporated in the Contract Documents of the above project, and all requirements herein are fully a part of the Contract Documents.

All Bidders are reminded to acknowledge receipt of Amendment One in the space provided on the Bid Form.

DOCUMENTS ISSUED:

None.

SPECIFICATIONS:

1. None.

DRAWINGS:

1. None.

PRE-BID QUESTIONS:

Below are questions/answers and additional information for the above referenced RFB. All other terms and conditions remain the same.

1. Sheet C1.0, Paving and Grading Note 4 calls for a soils engineer to observe, inspect, and test all earthwork and pavement operations. Is materials testing the responsibility of the District or the Contractor? Materials testing is the responsibility of the Contractor.
2. Sheet C2.0, Keynote 30 calls for a 2' bench. Is there a detail showing what material the bench is made of? The term "bench" in Keynote 30 refers to a level area of grade between the sidewalk and the 3:1 slope.
3. Are there closers on the single gates or just some type of spring to close the gate? If there are closers detail 2/G1 on sheet AS2.1 will not work. We will have to install transoms over the gate. Typical closer is a 4040 xp closer/overhead. Can you please confirm what type if closers we need? The specified CI3850 hinge is self-closing.
4. Does this project require a building permit and/or right-of-way permit? A building permit is not required. The project does require a right-of-way permit for the improvements within the public right-of-way. TDOT has already reviewed the project, so the next step will be for the Contractor to take the plans to the City to pull the permit. The Contractor will need to provide an itemized cost for the

Contractor/Offeror Fingerprint Language

If likelihood of unsupervised contact is unknown:

CONTRACTOR shall, as a condition of contract, obtain fingerprint cards for CONTRACTOR'S employee(s), and for SubContractors and their employees, in accordance with A.R.S. § 15-512. This fingerprinting requirement will not apply, however, if the District in its sole discretion determines in writing that it is unlikely that the CONTRACTOR or its employee(s), or SubContractors and their employees, will have direct, unsupervised contact with students while on school grounds.

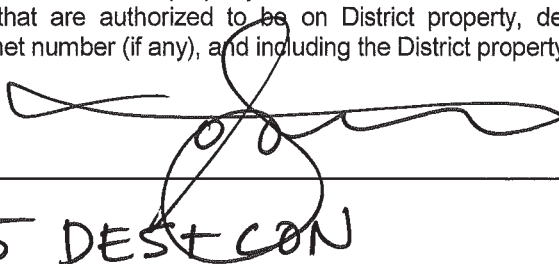

After obtaining a fingerprint card for an employee or SubContractor employee fingerprinting, CONTRACTOR, will issue a means of identification (such as badges or numbered safety helmets) that CONTRACTOR will require the employee to wear at all times that the employee is on District property. CONTRACTOR shall inform the District of those employees and SubContractors and SubContractor employees that are authorized to be on District property, delineating the individuals by name and identification card/badge/helmet number (if any), and including the District property(ies) that the individuals will visit.

If unsupervised contact is already determined as likely to occur:

CONTRACTOR shall, as a condition of contract, obtain fingerprint cards for CONTRACTOR'S employee(s), and for SubContractors and their employees, in accordance with A.R.S. § 15-512.

After obtaining a fingerprint card for an employee or SubContractor employee fingerprinting, CONTRACTOR, will issue a means of identification (such as badges or numbered safety helmets) that CONTRACTOR will require the employee to wear at all times that the employee is on District property. CONTRACTOR shall inform the District of those employees and SubContractors employees that are authorized to be on District property, delineating the individuals by name and identification card/badge/helmet number (if any), and including the District property(ies) that the individuals will visit.

E-Verify Contract Language

CONTRACTOR hereby warrants that, at all times during the term of this Contract, will comply with all federal immigration laws applicable to CONTRACTOR'S employment of its employees, and with the requirements of A.R.S. § 23-214 (A) (collectively, "the State and Federal Immigration Laws"). CONTRACTOR shall further ensure that each SubContractor who performs any work for CONTRACTOR under this contract also complies with the State and Federal Immigration Laws.

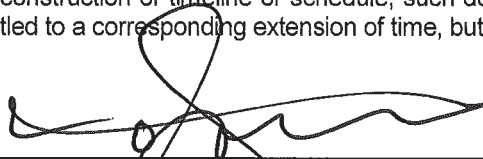

DISTRICT shall have the right at any time to inspect the books and records of CONTRACTOR and any SubContractor in order to verify compliance with the State and Federal Immigration Laws, and CONTRACTOR shall ensure DISTRICT access to the books and records of CONTRACTOR and each SubContractor under this contract.

CONTRACTOR shall advise each of its SubContractors of the DISTRICT'S rights, and the SubContractor's obligations, under this Article by including a provision in each subcontract substantially in the following form:

"SUBCONTRACTOR hereby warrants that it will at all times during the term of this contract comply with all federal immigration laws applicable to SUBCONTRACTOR'S employees, and with the requirements of A.R.S. § 23-214 (A). SUBCONTRACTOR further agrees that Amphitheater Unified School District may inspect the SUBCONTRACTOR'S books and records to insure that SUBCONTRACTOR is in compliance with these requirements. Any breach of this paragraph by SUBCONTRACTOR will be deemed to be a material breach of this contract subjecting SUBCONTRACTOR to penalties up to and including suspension or termination of this contract."

Any breach of CONTRACTOR'S or any SubContractor's warranty of compliance with the State and Federal Immigration Laws, or of any other provision of this section, shall be deemed to be a material breach of this Contract subjecting CONTRACTOR to penalties up to and including suspension or termination of this Contract. If the breach is by a SubContractor, and the subcontract is suspended or terminated as a result, CONTRACTOR shall be required to take such steps as may be necessary to either self-perform the services that would have been provided under the subcontract or retain a replacement SubContractor, (subject to DISTRICT approval) as soon as possible so as not to delay project completion.

[If applicable: Any additional costs directly or indirectly attributable to remedial action under this Article shall be the responsibility of CONTRACTOR. In the event that remedial action under this Article results in delay to one or more tasks in CONTRACTOR's approved construction or timeline or schedule, such delay shall be deemed excusable delay for which CONTRACTOR shall be entitled to a corresponding extension of time, but not costs.]
