Re: Tucson HS Offsite Improvements

Damon.Ballesteros@tusd1.org

Dear Mr. Ballesteros:

Your request has been approved for Tucson HS Offsite Improvements to include construction of new median and fencing on 6th St. between 3rd Ave and Jacobus Ave.

It is mandatory that we be informed at least two weeks in advance as to what date construction will begin. Additionally, we must schedule a city inspector to be on site at the time of construction. A licensed contractor must be used, and will require a permit to work in the City right of way, and a barricade permit. The contractor can obtain these permits at our office.

It has been a pleasure working with you. If you have any questions, please call me at 791-4259.

Sincerely,

Jesse Soto
Transportation Program Coordinator

Neighborhood Traffic Management
