Project Title: Bulldog Way Widening		
Project Detail:	The project is for the widening of the bus lane and fire lane (aka Bulldog Way) at the Queen Creek High School campus. This bus and fire lane were originally designed for a campus of 1,200 students. This campus has grown to 2,200 students yet the bus lane and fire lane have never being widened to accommodate the additional traffic. Widen of Bulldog Way will allow for the safe ingress and egress of buses. The work will include removal of the existing concrete curbs, sidewalks, and pavement with the installation of new curbs, sidewalks, landscaping and pavement to add another drive lane to Bulldog Way.	
Project Date Range:	5/22/2020	TO 7/22/2020
Total Project Cost:	\$330,898.00	Adjacent Ways Cost: \$330,898.00
