Site Address:	19818 W. MC 85, Buckeye, AZ 85326			
Project Title:	Liberty Rebuild Project			
Project Detail:	Adjacent Ways portion of this project to construct fire and bus lane, including surveying and layout, concrete driveways with aprons, grading, curbs and gutters, fire lane markings, and adjacent roadway improvements.			
Project Date Range:	6/1/2020	TO	8/1/2021	
Total Project Cost:	\$14,000,000.00	Adjacent Ways Cost:	\$613,109.00	
Board Meeting Date:				
Validation Status:	Review Pending			
Staff Analysis:	5/27/2020: On the SOV, all costs were listed in the offsite ADJW column. Looking at the drawings and overlay, most of the work would be onsite ADJW. Exceptions would be the small portions of concrete and asphalt that extend past the property line. More comments may follow, but this is the biggest thing that needs to be revised on the SOV. Also, please include an aerial view in this application (can save a view from Google Earth). The view could be combined with a color overlay of the work. This would be really helpful since there are several drawings and it seems to sprawl. 6/16/2020: please add updated docs.			
Board Decision:
