School: Navajo Elementary School

Site Address: 4525 N Granite Reef Rd, Scottsdale, AZ 85251

Project Title: New Bus Loop and Parking Lot for Navajo Elementary School

Project Detail: The project entails:

- installing a new fire lane from the southeast parking lot into the campus
- construction of new bus loop on south side of the campus

1/6/13-ADJ ways excel and SOV both match at 127K I am unsure of where you are seeing the 169K

1/13/22- misc_navajo_adj_ways_scope_drone_pictures.xlsx added to show live footage of work in relation to civil plans. For full understanding of scope please see the misc_9.27.21_Navajo Adjacent Ways_app_all_docs (1).pdf. There is an unmarked up set of civil plans and then a marked up set of civil plans to show the scope of work we are asking to be validated.

Project Date Range: 5/1/2020 **TO** 12/1/2020

Total Project Cost: \$1,132,356.00 **Adjacent Ways Cost:** \$127,477.52

Board Meeting Date:

Validation Status: Review Pending

Staff Analysis: Please submit the list of all documents as enlisted in the video with the link pasted below:

<https://www.youtube.com/watch?v=kBwNAe3yDu4>

8/19/21: I still need the highlighted area for ADJW. It's impossible for me to compare the SOV without it.

10/26/21: \$127K on SOV vs \$169K listed as ADJW cost - I am confused. Please revise.

11/16/21: please revise description to say the latter 2 lines are ADJW, the other is the overall district campus project.

1/12/22: still have questions on the actual scope.

Board Decision:
