Project Title: Cherokee Elementary School Modernization

Project Detail: This project is a complete tear down and replacement project.

1/6/22- the SOV from the contractor and the excel match, I am unsure where the problem is (the ADJ ways submission app does not reflect the information requested)

1/13/22 - removed line item "Gravel Pave/Grass Pave" from landscaping and moved into paving line item in DIV 32. This onsite expenditure is for the required fire lane behind the school.

Project Date Range: 12/21/2019 **TO** 2/26/2021

Total Project Cost: \$23,040,730.00 **Adjacent Ways Cost:** \$852,083.00

Board Meeting Date: 10/18/2021 12:00:00 AM

Validation Status: Review Pending

Staff Analysis: The District still needs to upload more attachments pertaining to this Application which includes Schedule of Values and other docs as communicated to the District. Please also refer to the Youtube video link so that the District can verify the list of missing documents.

8/19/21: Please provide the area covered under ADJW. It is impossible to tell from the drawing set.

9/28/21: resolved.

11/16/21: please describe just the ADJW portion for costs.

1/12/22: I still have questions on the ADJW, especially landscaping costs on the SOV (which normally is not something normally validated for ADJW). We need to discuss on a call.

2/8/22: submitting for march 2022 board meeting

3/31/22: please remove onsite utilities number from onsite ADJW and place it in District cost, Please submit updated SFOB SOV form with the change.
