Project Desert Sands MS – Parking Lot and Drive Lane Extension
1GPA 1GPA Procurement #18-15PV-11

We are pleased to provide a proposal for the above-named project.

Scope of work:

- Demolition of existing fencing, concrete walkways, curbs, flagpole base, planter, trees, and landscaping for new drive lane.
- Cut grades, compact soils, and export fills generated by grading activities.
- Install new concrete sidewalks, ramps, truncated domes, flag-pole base, curb & gutter, vertical curb, valley gutter, and approaches per plans & specs.
- Pave new drive lane and parking lot.
- Install new signage and striping per plans.
- Re-install salvaged flagpole in new location shown on plans.
- Install new chain link fencing and gate per plans.
- Fine grade and install new Stabilized DG at retention area.

Clarifications/Exclusions

- **This proposal includes overhead, insurance, sales tax, permit fees, special inspection fees, and 1GPA fees.**
- **This proposal excludes any architectural or engineering design fees.**

Total Price: \$227,856.00

Sincerely,

Sean Murphy
