<b>Project Title:</b>	Converting Potable Well Water Usage to Town of Marana Water			
<b>Project Detail:</b>	<div>The District campus, Estes Elementary, Marana Middle School, MCAT High School, and Program Inspire receive potable water from two District wells. One of the wells has high nitrates and is no longer suitable for drinking water. This leaves one well and no backup water service. This project is to get potable water service from the Town of Marana to each of the above mentioned locations with meters from the Town of Marana. The well will still be used for fire and irrigation.</div>			
<b>Project Date Range:</b>	4/10/2021	<b>TO</b>	7/1/2021	
<b>Total Project Cost:</b>	\$278,401.00	<b>Adjacent Ways Cost:</b>	\$278,401.00
