# MEETING OF THE GOVERNING BOARD

**ACTION AGENDA ITEM(s)** 

AGENDA NO:	Leave Blank	ТОР	IC.	CONTR paymer	IBI	TION OF CONTRACT WITH SRP FOR THE UTION IN AID OF CONSTRUCTION (CIAC) fees for MIT Expansion Construction Project-Phase 2 lectrical power to the site.
Submitted and Recommended to the Superintendent by:	Execu	tive Di	foreno, irector of ervices			Business Services
Date Assigned for Board C	onsider <mark>at</mark> io	n:	Reg	gular Bo	ard	Meeting January 21, 2021

#### It is recommended that the Governing Board Approve:

RATIFICATION OF CONTRACT WITH SRP FOR THE CONTRIBUTION IN AID OF CONSTRUCTION (CIAC) fees payment for MIT Expansion Construction Project-Phase 2 to bring electrical power to the site in the amount of \$106,014.92

#### Supportive Information for Recommendation:

In order to bring electrical power to the MIT Expansion Construction Project-Phase 2, it necessitated contracting with the Public Utility servicing the District - Salt River Project. The District was not required to obtain competitive pricing pursuant to the Arizona Administrative Code, Chapter 2, State Board of Education, R7-2-1002 (11) competitive solicitations are exempt for the purchase of water, gas, or electric utilities from a public service corporation.

After many attempts to obtain pricing and a construction schedule from SRP, the District received their proposal just before Winter Break with a requirement that payment must be paid up front. In order to facilitate the SRP Schedule and keep the project on course, the District Administration elected to pay for this work with the intent to bring this agenda item at its first scheduled board meeting in January for ratification.

District Policy required that any procurement over \$100,000.00 must have Governing Board approval.

Funding for these services is from Bond Proceeds.

Attached Support Documentation: Pricing Documents on file in the Purchasing Department.
