Re: Adjacent Ways Fee

Dear Dr. Noel

Adjacent Ways Additional Services: \$15,858

- Per our Amendment 002: The City of Somerton has requested off-site drawings for right of way improvements, lighting engineering in the right of way, and landscaping in the right of way. The fee for this work is \$15,858 and is eligible for adjacent ways funding.

Adjacent Ways Basic Services: \$29,890

- Per our original contract: fees shall be per our Somerton Elementary School contract: 6% basic services x \$498,165 estimated cost. The fee calculates out to \$29,890 and eligible for adjacent ways funding.

Please let me know if you or the SFB staff have any questions.

Sincerely,

Carmen Wyckoff
