Staff Analysis: Hi Tj,

Thanks for submitting your application for adjacent ways. The application looks great except we are missing important documentation that is required by policy. The list below is the remaining documents that is needing to be uploaded.

Required Documents Five documents are required to submit an Adjacent Ways Validation request:

1. Aerial view of the school - create a screenshot of the campus (This is completed)
2. Engineering project site plan - This is not necessary, but does Sunland have plans for this project?
3. Proposed Adjacent Ways color overlay of the project site plan that delineates on-site and off-site work with the legend - Create a colored overlay of the campus screenshot. (This is already completed)
4. Selected proposal - (This is completed.)
5. Schedule of Values - Submit to Sunland the SOV (Schedule of values) to fill out the line items.

Thank you,

Tashma Webster-Adams
