

REVISED PROPOSAL

Client Isaac School District No. 5
Contact Mr. David Morales Jr.
Date February 3, 2023
Project Alta E. Butler Elementary – Bus Drop-off Lane Asphalt Replacement
1GPA 1GPA Procurement #18-15PV-11

In response to your request, RYTAN Construction is pleased to offer this bid proposal pricing for the above referenced project.

Scope of Work:

1. Remove and haul off approximately 1,067 SY's of existing asphalt at bus drop-off area.
2. Light grade and compact existing base.
3. Pave with 1/2" asphalt to an average finished depth of 3" to 4" after compaction.
4. Work to be completed in three (3) move-ins.
5. All necessary on-site barricades and traffic control shall be provided.
6. Clean-up all areas and dispose of all debris off-site.

Exclusions: Small staff parking lot, payment and performance bonds, plans, permits, engineering, driveways, and any work not expressly included above. Pricing good for 30 days from proposal date.

TOTAL PRICE with tax: \$80,612.00

Sincerely,

Sean Murphy
