- Asphalt materials pricing is based on the current months ADOT index for Bituminous materials. There are strong indicators that there will be significant increases in asphalt prices going forward. Adjustments to the quoted prices for paving items will be made and finalized 14 days prior to the time of scheduled paving operations with appropriate notification, documentation and communication.

ACCEPTED: The above prices, specifications and conditions are satisfactory and hereby accepted. Buyer: _____ Signature: _____ Date of Acceptance: _____	CONFIRMED: Cactus Asphalt Authorized Signature: _____ Estimator: John Flores (602) 319-3420 jf@cactusasphalt.com
