Validation Status: Review Pending		
Staff Analysis:	Please make corrections discussed on 1/6/2023. 1/9/23: please have contractor update drawings 1 and 3. Drawing 1 needs to change the red loop in the parking lot area to non-ADJW, taking the dividing line from the driveway to the purple loop. Drawing 3 needs a different color for the non-ADJW areas, as the red and yellow plines don't show up clearly. Lastly, contractor SOV quote, SOV form and amounts on this application need to be updated.
