Board Meeting Date:

Validation Status: Review Pending

Staff Analysis: 1/18/2023 - The following items are missing from your application:
1. Schedule of values (link - <https://www.azsfb.gov/linkTo.asp?linkId=576>)
2. Drawing colored overlay with Egress and Ingress directional indications that show bus and fire lane student drop off areas.
Adjacent Ways funding is to be validated for proper use for the bus lanes/student drop off and fire lanes for the school only.

3/3/23 - Please contact your liaison for further explanation of the SOV vs. the Core ROM. In addition the color coded overlay needs further revision. Please schedule a meeting with your liaison, Core and the District.

4/20/2023 - Please resubmit this file named "AandE_Bus traffic patterns - Updated Option # 2 per meeting comments 021523 - R3 Update 031023.pdf" and remove the special characters from the name and reupload. Also a new colored coded version of the document name "Sahuarita Asphalt Replacement - Bus Barn - Option 2 - AandE_Regress & Engress.pdf" per our meeting discussion.
