School:	San Luis Middle School			
Site Address:	Connection of 1st Avenue San Luis Arizona from Cesar Chavez Blvd. to the south and to Union Avenue San Luis Arizona to the North			
Project Title:	Extension of 1st Avenue-Phase 2			
Project Detail:	<div>Construct a paved Roadway to provide Ingress/Egress options impacting three of Gadsden Elementary School districts Schools; San Luis Middle School, Arizona Desert Elementary and San Luis Pre-School. The Roadway will connect to Union Street at the 1st avenue extension and will travel South to Cesar Chavez Blvd which is a central roadway in the city of San Luis. The project is to include extending an existing 4 foot sidewalk and Bicycle path North to South , from San Luis Middle School to Cesar Chavez Blvd. to implement our safe routes to school program. The project entails removing debris, sandy soil from the surface and excavation to an 8" subbase. installing a 18" diameter PVC pipe and cross gutters to collect and distribute storm water to a retention Basin. 6" concrete curbing with Concrete scuppers. Exterior Lighting strung north to South on the west side of the roadway. Pavement structural section includes 3" of asphalt and 5" ABC Base compacted. All curbing painted striping and signage are included.</div>			
Project Date Range:	6/5/2023	TO	7/30/2023	
Total Project Cost:	\$838,526.04	Adjacent Ways Cost:	\$838,526.04
