Validation Status:	Review Pending			
Staff Analysis:	4/29/23: ADJW covers Bus and fire lanes. The OH view seems to also cover a parking lot. Please revise to show only the bus/fire lane as ADJW. the parking lot would be District costs. 5/26/23: returning to district for them to make the financial changes 5/26:23: the map is still incorrect. Please remove the square parking lot area. that portion would be district cost and needs to be reflected on the SOV and made a different color or hatching on the color overlay.
