<i>Description</i>	<i>Unit Price</i>	<i>Quantity</i>	<i>Total</i>
<b><u>CRACKSEAL</u></b> Clean & blow cracks free of dirt and debris. With heated wand for even disbursement install Maxwell Elastoflex hot pour rubberized crack sealant. Estimate does not include 100% coverage in alligatored areas unless requested. Estimate in linear feet	\$0.63	1693.00	\$1,066.59
<b><u>PITCH BLACK SEALCOAT</u></b> Clean entire asphalt surface. Apply 2 coats of Pitch Black pavement sealer. Pitch Black is a custom rubberized asphalt emulsion blended with select minerals, polymers and chemicals to produce the finest product. Each additive was selected for its characteristics that ultimately produce a sealcoat with the deepest and longest lasting color, firmest body, and greatest durability. It is extraordinarily tough, flexible and water repellent. Estimate in square feet.	\$0.24	39379.00	\$9,450.96
<b><u>STRIPING</u></b> Professionally stripe existing layout including	\$1.00	300.00	\$300.00
