Contact Email: cmorris3@qcusd.org

School: Crismon High School

Site Address: 21942 E Riggs Rd, Queen Creek, AZ 85142

Project Title: Crismon High School Temporary Road

Project Detail: The Town of QC is working to complete the connection of Crismon Road from Riggs Road to Cloud Road but is currently 18 months out from completion. QCUSD buses need to have an exit to Cloud Road due to increased enrollment and the traffic congestion on Riggs Road. At this time, QCUSD only has one exit for buses and cars are causing delays and safety concerns for the buses entering/exiting at Riggs Road. This temporary road will allow QCUSD to have an additional exit from the property to Cloud Road. In the masterplan, a permanent road has been designed to exit Cloud road east and west but this is also 18 months out. The permanent road will connect to the temporary road exit and eventually be the permanent exit for the property to Cloud Road.

Project Date Range: 7/1/2023 **TO** 7/24/2023

Total Project Cost: \$232,569.00 **Adjacent Ways Cost:** \$232,569.00

Board Meeting Date:

Validation Status: Review Pending

Staff Analysis: Please remove all special characters from the executive summary and ROM Budget summary file names and re-upload. We are unable to view documents as currently submitted. Please also upload an Aerial view with a color over lay prepared by your architect and the Adjacent Ways schedule of values.
8/30/23 Resolved. Thanks RC
9/7 Please complete and submit the correct schedule of values form. Here is the proper form. Be sure to extrapolate out the onsite adjacent ways cost from the offsite adjacent ways. Thank you, RC.
9/21 Please complete and submit the correct schedule of values form. The one used is for new construction projects. Then please fill out the budget table correctly, clearly separating out onsite and offsite expenses. Thank you and please let me know if you have questions. RC

Board Decision:
