Project Title:	Transportation Bus Parking Relocation			
Project Detail:	Relocating our bus storage facility on the campus from the West side of campus away from public sight, to the East side of campus allows for public visibility. Vehicles are always a target for vandals when out of public sight, relocating our bus fleet will put them near intersections at the edge of campus so they are visible to all vehicles driving, making our fleet more secure while stored overnight.			
Project Date Range:	12/18/2023	TO	1/6/2024	
Total Project Cost:	\$530,801.00	Adjacent Ways Cost:	\$153,214.00
