**Site Address:** 3834 S 91st Street

**Project Title:** Traffic Signal at 91st and Illini

**Project Detail:** Install Traffic signal at 91st Ave and Illini. This intersection has become increasingly busy with the growth of residential homes and businesses in the area. Students must cross this street to go to school at either Hurley Ranch or Union Elementary depending on the location of their home. Union Elementary is a K-2 campus and Hurley Ranch serves 3-8, making students from many families cross to one side or the other daily.  
Union Elementary School District would like to partner with a local home developer to assist in putting in a signal at this busy intersection to improve the safety of the crosswalk for our students and families.
