Project Title: Donaldson ES Bus Loop & Fire Lane Repaving Project

Project Detail: Repave the Entire Southeast Bus Loop & Fire Lane. Including Change Order #1 (The milling sub was planning to have the asphalt millings hauled to the asphalt recycler who would have accepted them, without charge. But upon investigation, it was found that the parking lot had been overlayed previously and that the contractor at the time installed a geo-textile fabric by the name of petromat. The asphalt plant will not accept the milled asphalt, because of the fabric that would have been included. Therefore Disposal Charges will be needed to cover the Additional Dumping Fees.)

Project Date Range: 1/31/2024 TO 2/23/2024

Total Project Cost: \$53,964.65 Adjacent Ways Cost: \$53,964.65
