

Arthur Pack West Parking Lot and Overton Driveway

The MUSD has different pots of monies to pay Pima County for this work, therefore, we need a quote for the following:

Orange = Overton from Thornydale to mouth of west parking lot (crack fill, seal coat, stripe

Blue = Student path (crack fill, seal coat)

The large parking lot will be an overlay but we need pieces broken down into the quote

Green = Bus driveway

Red = Student parking

Purple = Golf parking

It's likely that we'll put this out to bid shortly after we get the figure from you. This exercise is so MUSD can budget appropriately. This will be a summer 2024 project obviously due to the fact school is out and golf play is down.

Thanks, Ron
