Validation Status: Review Pending

Staff Analysis: 6/17/24: We are unable to open and review the proposals that were uploaded, proposal_1 IGA Town of PL + BR.pdf and proposal_2 IGA Town of PL + BR.pdf. Please remove the plus symbol from the file names and reupload these documents for review. Also, the Schedule of Values shows all Adjacent Ways costs as "off-site". According to the aerial with color overlay, there is pedestrian walkway on-site as well a part of the new roadway to accommodate school traffic is on-site. These costs need to be shown in the On-site Adjacent Ways column in the spreadsheet. Finally, the total cost on the Schedule of Values shows \$610,000 while the Adjacent Ways application shows \$611,000 as the Adjacent Ways Amount. These numbers need to match, please correct.

The IGA agreement with the city has been uploaded properly.
