Subject: Professional Services Agreement No. ST2007.451, with Entellus, Inc., for the Hamilton Street Improvements from Iris Place to Appleby Road Construction Management Services

Proposed Motion:

Move City Council award Professional Services Agreement No. ST2007.451, to Entellus, Inc., for the Hamilton Street Improvements from Iris Place to Appleby Road Construction Management Services, in an amount not to exceed \$671,367.74.

Background/Discussion:

On May 10, 2019, the City of Chandler entered into an Intergovernmental Agreement (IGA) with the Chandler Unified School District (CUSD) for the new District Central Transportation Facility, located at 3750 S. Centre Point Parkway. The IGA called for CUSD to dedicate right-of-way and provide engineering design and construction of certain transportation improvements at the same time the bus facility was constructed. Pursuant to the IGA, improvements to Hamilton Street from Appleby Road to Iris Place are the responsibility of the City and CUSD.

This project is for improvements on Hamilton Street, Carob Drive, and Centre Point Parkway as required for the CUSD Central Transportation Facility and adjacent city-owned parcels. Street improvements include curb and gutter, sidewalk, curb ramps, streetlights, storm drainage, irrigation, and wet/dry utility improvements. These improvements required the city to purchase and CUSD to dedicate needed right-of-way, drainage easements, utility easements, and temporary construction easements.

The project scope of work is for construction management services consisting of pre-construction assistance, construction administration, inspection services, utility coordination, material testing quality assurance, record drawings, and project close-out. The agreement completion time is 395 calendar days following Notice to Proceed. The estimated completion of construction is summer 2025.

Evaluation:

The selection process was conducted in accordance with city policy and procedure and state law. Staff recommends approval of this agreement with Entellus, Inc., based on qualifications, relevant

firm experience, team experience, project understanding, and project approach.

Records of Consultant's direct personnel payroll, reimbursable expenses pertaining to this Agreement and records of accounts between City and Consultant must be kept on the basis of generally accepted accounting principles and must be made available to City and its auditors for up to three years following City's final acceptance of the services under this Agreement (this requirement is increased to five years if construction of this project is federally funded). City, its authorized representative, or any federal agency, reserves the right to audit Consultant's records to verify the accuracy and appropriateness of all cost and pricing data, including data used to negotiate this Agreement and any amendments. City reserves the right to decrease the total amount of Agreement price or payments made under this Agreement or request reimbursement from Consultant following final Agreement payment on this Agreement if, upon audit of Consultant's records, the audit discloses Consultant has provided false, misleading, or inaccurate cost and pricing data. Consultant will include a similar provision in all of its Agreements with subconsultants who provide services under the Agreement to ensure that City, its authorized representative, or the appropriate federal agency, has access to the subconsultants' records to verify the

accuracy of all cost and pricing data. City reserves the right to decrease Agreement price or payments made on this Agreement or request reimbursement from Consultant following final payment on this Agreement if the above provision is not included in subconsultant agreements, and one or more subconsultants refuse to allow City to audit their records to verify the accuracy and appropriateness of all cost and pricing data. If, following an audit of this Agreement, the audit discloses Consultant has provided false, misleading, or inaccurate cost and pricing data, and the cost discrepancies exceed 1% of the total Agreement billings, Consultant will be liable for reimbursement of the reasonable, actual cost of the audit.

5.3 Alteration in Character of Work. Whenever an alteration in the character of work results in a substantial change in this Agreement, thereby materially increasing or decreasing the scope of services, cost of performance, or Project schedule, the work will be performed as directed by City. However, before any modified work is started, a written amendment must be approved and executed by City and Consultant. Such amendment must not be effective until approved by City. Additions to, modifications, or deletions from this Agreement as provided herein may be made, and the compensation to be paid to Consultant may accordingly be adjusted by mutual agreement of the Parties. It is distinctly understood and agreed that no claim for extra services or materials furnished by Consultant will be allowed by City except as provided herein, nor must Consultant do any work or furnish any materials not covered by this Agreement unless such work is first authorized in writing. Any such work or materials furnished by Consultant without prior written authorization will be at Consultant's own risk, cost, and expense, and Consultant hereby agrees that without written authorization Consultant will make no claim for compensation for such work or materials furnished.

5.4 Termination. City and Consultant hereby agree to the full performance of the covenants contained herein, except that City reserves the right, at its discretion and without cause, to terminate or abandon any service provided for in this Agreement, or abandon any portion of the Project for which services have been performed by Consultant. In the event City abandons or suspends the services, or any part of the services as provided in this Agreement, City will notify Consultant in writing and immediately after receiving such notice, Consultant must discontinue advancing the work specified under this Agreement. Upon such termination, abandonment, or suspension, Consultant must deliver to City all drawings, plans, specifications, special provisions, estimates and other work entirely or partially completed, together with all unused materials supplied by City. Consultant must appraise the work Consultant has completed and submit Consultant's appraisal to City for evaluation. City may inspect Consultant's work to appraise the work completed. Consultant will receive compensation in full for services performed to the date of such termination. The fee will be paid in accordance with Section III of this Agreement, and as mutually agreed upon by Consultant and City. If there is no mutual agreement on payment, the final determination will be made in accordance with the "Disputes" provision in this Agreement. However, in no event may the fee exceed the fee set forth in Section III of this Agreement nor as amended in accordance with Section "Alteration in Character of Work." City will make the final payment within 60 days after Consultant has delivered the last of the partially completed items and the Parties agree on the final fee. If City is found to have improperly terminated the Agreement for cause or default, the termination will be converted to a termination for convenience in accordance with the provisions of this Agreement.

5.5 Indemnification. To the extent permitted by law, the Consultant ("Indemnitor") must indemnify, save and hold harmless City and its officers, officials, agents and employees ("Indemnatee") from any and all claims, actions, liabilities, damages, losses or expenses (including court costs, attorneys' fees and costs of claim processing, investigation and litigation) ("Claims") caused or alleged to be caused, in whole or in part, by the wrongful, negligent or willful acts, or errors or omissions of Consultant or any of its owners, officers, directors, agents, employees, or subconsultants in connection with this Agreement. This indemnity includes any claim or amount arising out of or recovered under workers' compensation law or on account of the failure of Consultant to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. Consultant must indemnify Indemnatee from and against any and all Claims, except those arising solely from Indemnatee's own negligent or willful acts or omissions. Consultant is responsible for primary loss investigation, defense and judgment costs where this indemnification applies. In consideration of the award of this Agreement, Consultant agrees to waive all rights of subrogation against Indemnatee for losses arising from or related to this Agreement. The obligations of Consultant under this provision survive the termination or expiration of this Agreement.

5.6 Insurance Requirements. Consultant must procure insurance under the terms and conditions and for the amounts of coverage set forth in **Exhibit "C"** against claims that may arise from or relate to performance of the work under this Agreement by Consultant and its agents, representatives, employees, and subconsultants. Consultant and any subconsultant must maintain this insurance until all of their obligations have been discharged, including any warranty periods under this Agreement. These insurance requirements are minimum requirements for this Agreement and in no way limit the indemnity covenants contained in this Agreement. City in no way warrants that the minimum limits stated in **Exhibit "C"** are sufficient to protect Consultant from liabilities that might arise out of the performance of the work under this Agreement by Consultant, Consultant's agents, representatives, employees, or subconsultants. Consultant is free to purchase such additional insurance as may be determined necessary.

5.7 Cooperation and Further Documentation. Consultant agrees to provide City such other duly executed documents as may be reasonably requested by City to implement the intent of this Agreement.

5.8 Successors and Assigns. City and Consultant each bind itself, its partners, successors, assigns, and legal representatives to the other party to this Agreement and to the partners, successors, assigns, and legal representatives of such other party in respect to all covenants of this Agreement. Neither City nor Consultant may assign, sublet, or transfer its interest in this Agreement without the written consent of the other party. In no event may any contractual relation be created between any third party and City.

5.9 Disputes. In any dispute arising out of an interpretation of this Agreement or the duties required not disposed of by agreement between Consultant and City, the final determination at the administrative level will be made by City Engineer.

5.10 Completeness and Accuracy of Consultant's Work. Consultant must be responsible for the completeness and accuracy of Consultant's services, data, and other work prepared or compiled under Consultant's obligation under this Agreement and must correct, at Consultant's expense, all willful or negligent errors, omissions, or acts that may be discovered. Correction of errors disclosed and determined to exist during any construction of the project on architectural or engineering drawings and specifications must be accomplished by Consultant. The cost of the design necessary to correct those errors attributable to Consultant and any damage incurred by City as a result of additional construction costs caused by such engineering or architectural errors will be chargeable to Consultant and will not be considered a cost of the Work. The fact that City has accepted or approved Consultant's work will in no way relieve Consultant of any of Consultant's responsibilities.

5.11 Reporting. Written monthly reports, along with updated work schedules, will be made by Consultant in the format prescribed by City. These reports will be delivered to City per schedule. When requested by City, Consultant will attend Council meetings and provide finished documents including correspondence for Council action, supporting charts, graphs, drawings and colored slides of same.

5.12 Withholding Payment. City reserves the right to withhold funds from Consultant's payments up to the amount equal to the claims City may have against Consultant until such time that a settlement on those claims has been reached.

5.13 City's Right of Cancellation. The Parties acknowledge that this Agreement is subject to cancellation by City under the provisions of Section 38-511, Arizona Revised Statutes (A.R.S.).

5.14 Independent Consultant. For this Agreement Consultant constitutes an independent contractor. Any provisions in this Agreement that may appear to give City the right to direct Consultant as to the details of accomplishing the work or to exercise a measure of control over the work means that Consultant must follow the wishes of City as to the results of the work only. These results must comply with all applicable laws and ordinances.

5.15 Project Staffing. Prior to the start of any work under this Agreement, Consultant must submit to City detailed resumes of key personnel that will be involved in performing services prescribed in the Agreement. City hereby acknowledges its acceptance of such personnel to perform services under this Agreement. At any time hereafter that Consultant desires to change key personnel while performing under the Agreement, Consultant must submit the qualifications of the new personnel to City for prior approval. Key personnel include, but are not limited to, principals-in-charge, project manager, and project Consultant. Consultant will maintain an adequate and competent staff of qualified persons, as may be determined by City, throughout the performance of this Agreement to ensure acceptable and timely completion of the Scope of Services. If City objects, with reasonable cause, to any of Consultant's staff, Consultant must take prompt corrective action acceptable to City and, if required, remove such personnel from the Project and replace with new personnel agreed to by City.

5.16 Consultants or Subconsultants. Prior to beginning the work, Consultant must furnish City for approval the names of consultants or subconsultants to be used under this Agreement. Any subsequent changes are subject to City's written prior approval.

5.17 Force Majeure. If either party is delayed or prevented from the performance of any act required under this Agreement by reason of acts of God or other cause beyond the control and without fault of the Party (financial inability excepted), performance of that act may be excused, but only for the period of the delay, if the Party provides written notice to the other Party within ten days of such act. The time for performance of the act may be extended for a period equivalent to the period of delay from the date written notice is received by the other Party.

5.18 Compliance with Federal Laws. Consultant understands and acknowledges the applicability of the Americans with Disabilities Act, the Immigration Reform and Control Act of 1986 and the Drug Free Workplace Act of 1989 to it. Consultant agrees to comply with these laws in performing this Agreement and to permit City to verify such compliance.

5.19 No Israel Boycott. By entering into this Agreement, Consultant certifies that Consultant is not currently engaged in, and agrees for the duration of the Agreement, not to engage in a boycott of Israel as defined by state statute.

5.20 Legal Worker Requirements. A.R.S. § 41-4401 prohibits City from awarding an Agreement to any consultant who fails, or whose subconsultants fail, to comply with A.R.S. § 23-214(A). Therefore, Consultant agrees Consultant and each subconsultant it uses warrants their compliance with all federal immigration laws and regulations that relate to their employees and their compliance with § 23-214, subsection A. A breach of this warranty will be deemed a material breach of the Agreement and may be subject to penalties up to and including termination of the Agreement. City retains the legal right to inspect the papers of any Consultant's or subconsultant's employee who provides services under this Agreement to ensure that Consultant and subconsultants comply with the warranty under this provision.

5.21 Lawful Presence Requirement. A.R.S. §§ 1-501 and 1-502 prohibit City from awarding an Agreement to any natural person who cannot establish that such person is lawfully present in the United States. To establish lawful presence, a person must produce qualifying identification and sign a City-provided affidavit affirming that the identification provided is genuine. This requirement will be imposed at the time of Agreement award. This requirement does not apply to business organizations such as corporations, partnerships, or limited liability companies.

5.22 Covenant Against Contingent Fees. Consultant warrants that no person has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, and that no member of the Chandler City Council, or any City employee has any interest, financially, or otherwise, in Consultant's firm. For breach or violation of this warrant, City may annul this Agreement without liability or, at its discretion, to deduct from the Agreement price or consideration, the full amount of such commission, percentage, brokerage, or contingent fee.

5.23 Non-Waiver Provision. The failure of either Party to enforce any of the provisions of this Agreement or to require performance of the other Party of any of the provisions hereof must not be construed to be a waiver of such provisions, nor must it affect the validity of this Agreement or any part thereof, or the right of either Party to thereafter enforce each and every provision.

5.24 Disclosure of Information Adverse to City's Interests. To evaluate and avoid potential conflicts of interest, Consultant must provide written notice to City, as set forth in this Section, of any work or services performed by Consultant for third parties that may involve or be associated with any real property or personal property owned or leased by City. Such notice must be given 7 business days prior to commencement of the services by Consultant for a third party, or 7 business days prior to an adverse action as defined below. Written notice and disclosure must be sent in accordance with Section 6.7 above. An adverse action under this Agreement includes, but is not limited to: (a) using data as defined in the Agreement acquired in connection with this Agreement to assist a third party in pursuing administrative or judicial action against City; or (b) testifying or providing evidence on behalf of any person in connection with an administrative or judicial action against City; or (c) using data to produce income for Consultant or its employees independently of performing the services under this Agreement, without the prior written consent of City. Consultant represents that except for those persons, entities, and projects identified to City, the services performed by Consultant under this Agreement are not expected to create an interest with any person, entity, or third party project that is or may be adverse to City's interests. Consultant's failure to provide a written notice and disclosure of the information as set forth in this Section constitute a material breach of this Agreement.

5.25 Data Confidentiality and Data Security. As used in the Agreement, "data" means all information, whether written or verbal, including plans, photographs, studies, investigations, audits, analyses, samples, reports, calculations, internal memos, meeting minutes, data field notes, work product, proposals, correspondence and any other similar documents or information prepared by, obtained by, or transmitted to Consultant or its subconsultants in the performance of this Agreement. The Parties agree that all data, regardless of form, including originals, images, and reproductions, prepared by, obtained by, or transmitted to Consultant or its subconsultants in connection with Consultant's or its subconsultant's performance of this Agreement is confidential and proprietary information belonging to City. Except as specifically provided in this Agreement, Consultant or its subconsultants must not divulge data to any third party without City's prior written consent. Consultant or its subconsultants must not use the data for any purposes except to perform the services required under this Agreement. These prohibitions do not apply to the following data provided to Consultant or its subconsultants have first given the required notice to City: (a) data which was known to Consultant or its subconsultants prior to its performance under this Agreement by a third party, who to the best of Consultant's or its subconsultants' knowledge and belief, had the legal right to make such disclosure and Consultant or its subconsultants are not otherwise required to hold such data in confidence; or (c) data which is required to be disclosed by virtue of law, regulation, or court order, to which Consultant or its subconsultants are subject. In the event Consultant or its subconsultants are required or requested to disclose data to a third party, or any other information to which Consultant or its subconsultants became privy as a result of any other Agreement with City, Consultant must first notify City as set forth in this Section of the request or demand for the data. Consultant or its subconsultants must give City sufficient facts so that City can be given an opportunity to first give its consent or take such action that City may deem appropriate to protect such data or other information from disclosure. All data must continue to be subject to the confidentiality agreements of this Agreement. Consultant or its subconsultants assume all liability to maintain the confidentiality of the data in its possession

and agrees to compensate City if any of the provisions of this Section are violated by Consultant, its employees, agents or subconsultants. Solely for the purposes of seeking injunctive relief, it is agreed that a breach of this Section must be deemed to cause irreparable harm that justifies injunctive relief in court. Consultant agrees that the requirements of this Section must be incorporated into all subagreements entered into by Consultant. A violation of this Section may result in immediate termination of this Agreement without notice.

5.26 Personal Identifying Information-Data Security. Personal identifying information, financial account information, or restricted City information, whether electronic format or hard copy, must be secured and protected at all times by Consultant or its subconsultants. At a minimum, Consultant or its subconsultants must encrypt or password-protect electronic files. This includes data saved to laptop computers, computerized devices, or removable storage devices. When personal identifying information, financial account information, or restricted City information, regardless of its format, is no longer necessary, the information must be redacted or destroyed through appropriate and secure methods that ensure the information cannot be viewed, accessed, or reconstructed. In the event that data collected or obtained by Consultant or its subconsultants in connection with this Agreement is believed to have been compromised, Consultant or its subconsultants must immediately notify City contact. Consultant agrees to reimburse City for any costs incurred by City to investigate potential breaches of this data and, where applicable, the cost of notifying individuals who may be impacted by the breach. Consultant agrees that the requirements of this Section must be incorporated into all subcontracts entered into by Consultant. It is further agreed that a violation of this Section must be deemed to cause irreparable harm that justifies injunctive relief in court. A violation of this Section may result in immediate termination of this Agreement without notice. The obligations of Consultant or its subconsultants under this Section must survive the termination of this Agreement.

5.27 Jurisdiction and Venue. This Agreement is made under and must be construed in accordance with and governed by the laws of the State of Arizona without regard to the conflicts or choice of law provisions thereof. Any action to enforce any provision of this Agreement or to obtain any remedy with respect hereto must be brought in the courts located in Maricopa County, Arizona, and for this purpose, each Party hereby expressly and irrevocably consents to the jurisdiction and venue of such court.

5.28 Survival. All warranties, representations, and indemnifications by Consultant must survive the completion or termination of this Agreement.

INSURANCE REQUIREMENTS

1. General.

- 1.1 At the same time as execution of this Agreement, Consultant must furnish City a certificate of insurance on a standard insurance industry ACORD form. The ACORD form must be issued by an insurance company authorized to transact business in the State of Arizona possessing a current A.M. Best, Inc. rating of A-7, or better and legally authorized to do business in the State of Arizona with policies and forms satisfactory to City. Provided, however, the A.M. Best rating requirement will not be deemed to apply to required Workers' Compensation coverage.
 - 1.2 Consultant and any of its subconsultants must procure and maintain, until all of their obligations have been discharged, including any warranty periods under this Agreement are satisfied, the insurances set forth below.
 - 1.3 The insurance requirements set forth below are minimum requirements for this Agreement and in no way limit the indemnity covenants contained in this Agreement.
 - 1.4 City in no way warrants that the minimum insurance limits contained in this Agreement are sufficient to protect Consultant from liabilities that might arise out of the performance of the Agreement services under this Agreement by Consultant, its agents, representatives, employees, subconsultants, and Consultant is free to purchase any additional insurance as may be determined necessary.
 - 1.5 Failure to demand evidence of full compliance with the insurance requirements in this Agreement or failure to identify any insurance deficiency will not relieve Consultant from, nor will it be considered a waiver of its obligation to maintain the required insurance at all times during the performance of this Agreement.
 - 1.6 Use of subconsultants: If any work is subcontracted in any way, Consultant must execute a written Agreement with subconsultant containing the same Indemnification Clause and Insurance Requirements as City requires of Consultant in this Agreement. Consultant is responsible for executing the Agreement with the subconsultant and obtaining Certificates of Insurance and verifying the insurance requirements.
2. Minimum Scope and Limits of Insurance. Consultant must provide coverage with limits of liability not less than those stated below.

- 2.1 *Professional Liability.* If the Agreement is the subject of any professional services or work performed by Consultant, or if Consultant engages in any professional services or work adjunct or residual to performing the work under this Agreement, Consultant must maintain Professional Liability insurance covering errors and omissions arising out of the work or services performed by Consultant, or anyone employed by Consultant, or anyone whose acts, mistakes, errors and omissions Consultant is legally liable, with a liability limit of \$1,000,000 each claim and \$2,000,000 all claims. In the event the Professional Liability insurance policy is written on a "claims made" basis, coverage must extend for 3 years past

completion and acceptance of the work or services, and Consultant, or its selected Design Professional will submit Certificates of Insurance as evidence the required coverage is in effect. The Design Professional must annually submit Certificates of Insurance citing that the applicable coverage is in force and contains the required provisions for a 3 year period.

2.2 *Commercial General Liability-Occurrence Form.* Consultant must maintain “occurrence” form Commercial General Liability insurance with a limit of not less than \$2,000,000 for each occurrence, \$4,000,000 aggregate. Said insurance must also include coverage for products and completed operations, independent contractors, personal injury and advertising injury. If any Excess insurance is utilized to fulfill the requirements of this paragraph, the Excess insurance must be “follow form” equal or broader in coverage scope than underlying insurance.

2.3 *Automobile Liability-Any Auto or Owned, Hired and Non-Owned Vehicles Vehicle Liability:* Consultant must maintain Business/Automobile Liability insurance with a limit of \$1,000,000 each accident on Consultant owned, hired, and non-owned vehicles assigned to or used in the performance of Consultant’s work or services under this Agreement. If any Excess or Umbrella insurance is utilized to fulfill the requirements of this paragraph, the Excess or Umbrella insurance must be “follow form” equal or broader in coverage scope than underlying insurance.

2.4 *Workers Compensation and Employers Liability Insurance:* Consultant must maintain Workers Compensation insurance to cover obligations imposed by federal and state statutes having jurisdiction of Consultant employees engaged in the performance of work or services under this Agreement and must also maintain Employers’ Liability insurance of not less than \$1,000,000 for each accident and \$1,000,000 disease for each employee.

3. Additional Policy Provisions Required.

3.1 *Self-Insured Retentions or Deductibles.* Any self-insured retentions and deductibles must be declared and approved by City. If not approved, City may require that the insurer reduce or eliminate any deductible or self-insured retentions with respect to City, its officers, officials, agents, employees, and volunteers.

3.1.1. Consultant’s insurance must contain broad form contractual liability coverage.

3.1.2. Consultant’s insurance coverage must be primary insurance with respect to City, its officers, officials, agents, and employees. Any insurance or self-insurance maintained by City, its officers, officials, agents, and employees will be in excess of the coverage provided by Consultant and must not contribute to it.

3.1.3. Consultant’s insurance must apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

3.1.4. Coverage provided by Consultant must not be limited to the liability assumed under the indemnification provisions of this Agreement.

- 3.1.5. The policies must contain a severability of interest clause and waiver of subrogation against City, its officers, officials, agents, and employees, for losses arising from Work performed by Consultant for City. (Does not apply to Professional Liability coverage.)
- 3.1.6. Consultant, its successors and or assigns, are required to maintain Commercial General Liability insurance as specified in this Agreement for a minimum period of 3 years following completion and acceptance of the Work. Consultant must submit a Certificate of Insurance evidencing Commercial General Liability insurance during this 3-year period containing all the Agreement insurance requirements, including naming City of Chandler, its agents, representatives, officers, directors, officials and employees as Additional Insured as required.
- 3.1.7. If a Certificate of Insurance is submitted as verification of coverage, City will reasonably rely upon the Certificate of Insurance as evidence of coverage, but this acceptance and reliance will not waive or alter in any way the insurance requirements or obligations of this Agreement.

3.2. *Insurance Cancellation During Term of Agreement.*

- 3.2.1. If any of the required policies expire during the life of this Agreement, Consultant must forward renewal or replacement Certificates to City within 10 days after the renewal date containing all the required insurance provisions.
- 3.2.2. Each insurance policy required by the insurance provisions of this Agreement must provide the required coverage and must not be suspended, voided or canceled except after thirty (30) days prior written notice has been given to City, except when cancellation is for non-payment of premium, then ten (10) days prior notice may be given. Such notice must be sent directly to Chandler Law-Risk Management Department, Post Office Box 4008, Mailstop 628, Chandler, Arizona 85225. - b. This insurance does not apply to the rendering of or failure to render any "professional services".
- c. This endorsement does not increase any of the limits of insurance stated in **D. Liability And Medical Expenses Limits of Insurance**.

3. The following is added to **SECTION III H.2. Other Insurance – COMMON POLICY CONDITIONS (BUT APPLICABLE ONLY TO SECTION II – LIABILITY)**

However, if you specifically agree in a contract or agreement that the insurance provided to an

additional insured under this policy must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such additional insured which covers such additional insured as a named insured, and we will not share with that other insurance, provided that:

- a. The "bodily injury" or "property damage" for which coverage is sought occurs after you have entered into that contract or agreement; or
- b. The "personal and advertising injury" for which coverage is sought arises out of an offense committed after you have entered into that contract or agreement.

4. The following is added to **SECTION III K. 2. Transfer of Rights of Recovery Against Others to Us – COMMON POLICY CONDITIONS (BUT APPLICABLE TO ONLY TO SECTION II – LIABILITY)**

We waive any rights of recovery we may have against any person or organization because of payments we make for "bodily injury", "property damage" or "personal and advertising injury" arising out of "your work" performed by you, or on your behalf, under a contract or agreement with that person or organization. We waive these rights only where you have agreed to do so as part of a contract or agreement with such person or organization entered into by you before the "bodily injury" or "property damage" occurs, or the "personal and advertising injury" offense is committed.

ALL OTHER TERMS AND CONDITIONS OF THIS POLICY REMAIN UNCHANGED.

b. All:

- (1) "Bodily injury" and "property damage" except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard";
- (2) Plus medical expenses;

is twice the Liability and Medical Expenses limit.

Subject to Paragraph a. or b. above, whichever applies, the Damage To Premises Rented To You Limit is the most we will pay for damages because of "property damage" to any one premises, while rented to you, or in the case of fire, while rented to you or temporarily occupied by you with permission of the owner.

The Limits of Insurance of **SECTION II – LIABILITY** apply separately to each consecutive annual period and to any remaining period of less than twelve (12) months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than twelve (12) months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

E. Liability And Medical Expenses General Conditions

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this policy.

2. Duties In The Event Of Occurrence, Offense, Claim Or Suit

- a. You must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, notice should include:
 - (1) How, when and where the "occurrence" or offense took place;
 - (2) The names and addresses of any injured persons and witnesses; and
 - (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.
- b. If a claim is made or "suit" is brought against any insured, you must:

You must see to it that we receive written notice of the claim or "suit" as soon as practicable.

c. You and any other involved insured must:

- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization that may be liable to the insured because of injury or damage to which this insurance may also apply.

- d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

3. Legal Action Against Us

No person or organization has a right under this policy:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this policy unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this policy or that are in excess of the applicable Limit of Insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Separation Of Insureds

Except with respect to the Limits of Insurance of **SECTION II – LIABILITY**, and any rights or duties specifically assigned in this policy to the first Named Insured, this insurance applies:

- A. General Aggregate Limit – Per Project Or Per Location
- B. Additional Insured – Primary/Non-contributory
- C. Waiver Of Transfer Of Rights Of Recovery Against Others To Us

This endorsement modifies insurance provided under the following:

COMMERCIAL EXCESS LIABILITY COVERAGE FORM

A. General Aggregate Limit – Per Project Or Per Location

Paragraph 2.a. of C. Limits of Liability of SECTION I – INSURING AGREEMENT is deleted and replaced by the following:

- a. The limit of liability stated in the Declarations as general aggregate is the most we will pay during each policy period for all ultimate net loss, except ultimate net loss because of:
 - (1) injury and damage included in the products-completed operations hazard or;
 - (2) any coverage included in **underlying insurance** to which no underlying aggregate applies.

The general aggregate applies separately to each of your "projects" away from premises owned by or occupied by you or to each of your locations owned by or occupied by you.

"Projects" mean an area away from premises owned by or rented to you at which you are performing operations pursuant to a contract or agreement. For the purposes of determining the applicable aggregate limit of insurance, each "project" at the same "location" shall be considered a single "project".

For the purposes of this provision, "location" means

- (1) premises involving the same or connecting lots;
- (2) premises where connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad; or

- (3) premises where operations are performed in sections, stages or phases as a continuation of the same contract or agreement, even if the premises do not involve connecting lots.

B. Additional Insured – Primary/Non-contributory

Paragraph K. Other Insurance of SECTION IV – CONDITIONS is deleted and replaced by the following:

K. Other Insurance

If other insurance, whether collectible or not, is available to the insured covering a loss also covered by this policy, the insurance afforded by this policy shall be in excess of, and shall not contribute with, such other insurance. However, if the **underlying insurance** provides coverage to an additional insured on a primary basis, or a primary and non-contributory basis, this insurance shall be available to such additional insured on an excess basis over the underlying insurance. We will not share with other insurance which covers such additional insured as a named insured.

C. Waiver Of Transfer Of Rights Of Recovery Against Others To Us

Paragraph L. Subrogation of SECTION IV – CONDITIONS is deleted and replaced by the following:

L. Subrogation

In the event of any payment under this policy, the insured must notify us of any of the insured's rights of recovery against any person or organization. We shall be subrogated to all such rights. The insured shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The insured shall do nothing after loss to prejudice such rights. However we waive any rights of recovery we may have against any person or organization if the **underlying insurance** also waives such rights.

Any amount recovered through subrogation or otherwise shall be apportioned in the inverse order of payment of the claim or claims involved to the extent of actual payment thereof by all interests. The expenses of all such recoveries and proceedings in connection therewith shall be apportioned in the ratio of respective recoveries. With respect to proceedings conducted solely by us, if there is no recovery, we will bear the expense thereof. If there is a recovery, we shall be reimbursed in full from such recovery for the amount of all expenses incurred by us before apportionment of such recovery as herein provided.

Mr. Paul Young
Entellus, Inc.
3033 N. 44th Street, Suite 250
Phoenix, Arizona 85018

Dear Paul:

MakPro Services, LLC (MakPro) is pleased to provide the following proposal for public outreach services for the City of Chandler's Hamilton Street Improvements Project, Iris Place to Appleby Road (ST2007.401), which will construct a new two-lane collector street along Centre Pointe Parkway, Carob Drive, and Hamilton Street with curb, gutter, sidewalk, streetlights, landscaping, drainage improvements, and associated utility improvements. Public outreach is an important element in projects that directly impact nearby stakeholders and provides a link between the project and the community it impacts.

There are a variety of public outreach tools which can be used to establish appropriate communication with the effected stakeholders of a project. The services included in this scope and fee are based on the information you provided for an estimated 11-month construction schedule.

As part of the public outreach for this project, MakPro proposes to:

- establish a 24-hour construction hotline for inquiries and maintain a call log.
- develop a construction notification for nearby properties to inform them of the start of construction and any information related to schedule and sequencing.
- develop and distribute periodic e-update to stakeholders with project progress.
- attend weekly progress meetings to identify community impacts and better understand the construction sequencing/schedule.

The total cost for the public outreach services as identified above **should not exceed \$12,600.00**, as detailed in the proposed cost estimate which follows. This proposed cost estimate assumes an hourly labor rate of \$110 per hour and a \$300/mo fee for the project hotline.

Proposed Cost Estimate				
Activity	Est Hours	Fees	Reimb Expenses	Total
Public Outreach Services:				
Project Hotline (11 months @ \$300)		\$3,000		\$3,000
Develop, print, and distribute one construction notification and collect contact info	10 hrs	\$1,100		\$1,100
Provide periodic e-updates (approx 15) and respond to stakeholder inquiries or issues	34 hrs	\$3,740		\$3,740
Progress meetings and project administration (assumed to be "virtual" attendance) (Approx 40 weekly mtgs – 1 hr each)	40 hrs	\$4,400		\$4,400
Reimbursable Expenses (printing / postage)			\$360	\$360
Total Public Outreach Services:	84 hrs	\$12,240	\$360	\$12,600

Reimbursable expenses for this project have been estimated based on a distribution to those near the construction activities. The estimated cost is based on a 2-up half-color postcard. MakPro is not responsible for documenting existing property conditions, project signage or traffic signage, or any direct doorhanger notifications related to service disruptions. Progress or scheduled meetings have a one-hour minimum. This cost estimate is based on efficiencies across tasks, so adjustments to one activity may require adjustments to other activities. Changes of substance to this proposal during the project may affect the final cost.

Thank you for the opportunity to work with you and the City of Chandler on this project. Should you have questions or need additional information related to this proposal, please feel free to contact me at (480) 890-1927.

Sincerely,

Teresa Makinen
Principal

Subject: **Proposal For Construction Engineering Services Rev. 1**
Hamilton Street Improvements (ST2007)
Iris Place to Appleby Road
Chandler, Arizona
SAECO Proposal Number PC44.23.040

Smith & Annala Engineering Co. (SAECO) is pleased to provide this proposal for construction materials testing services for the Hamilton Street Improvements Project. SAECO has developed this proposal based upon our review of the plans and specifications for this project and our experience on similar projects.

SAECO

SAECO was founded in 2011 by Michael E. Smith, P.E. and Michael S. Annala, R.G. The firm provides geotechnical engineering, construction QA/QC, and environmental services to clients across the Southwestern U.S. The firm is locally owned and operated and is headquartered in Tempe, Arizona. Currently our staff consists of over 40 engineers, geologists, engineering technicians, and special inspectors. We previously built a considerable presence in the industry as a startup during challenging economic conditions because of our commitment to our safety culture and client service. We hope to demonstrate these attributes for your company on this project.

SAECO maintains American Association of State Highway and Transportation Officials (AASHTO) Materials Reference Laboratory (AMRL) and Cement and Concrete Reference Laboratory (CCRL) accreditation. These programs require our quality system meet strict federal criteria and requires us to undergo inspections which assess our personnel and our equipment relative to the criteria established by AASHTO. The programs also require us to participate in a Proficiency Sample Program (PSP) which allows us to conduct testing and provide results that are then compared to other accredited laboratories across the United States.

The company is also committed to the certification and continued development of our employees. SAECO Construction Engineering personnel maintain certifications in a wide range of programs including Arizona Training and Technical Institute (ATTI), American Concrete Institute (ACI), International Code Council (ICC), National Institute of Certified Engineering Technicians (NICET), and the Geosynthetic Institute.

The engineering and management personnel in the Construction Engineering Department of SAECO are currently or have been involved in leadership roles within the American Society of Civil Engineers (ASCE), Arizona Rock Products Association (ARPA), and Maricopa Association of Governments (MAG) Specifications and Technical Committee. Additionally, Mr. Michael E. Smith, P.E. previously served as a faculty associate at Arizona State University in the Del E. Webb School of Construction. Our engineering and management personnel are actively involved in determining the future of the construction engineering industry.

The Construction Engineering Department of SAECO has experience on hundreds of projects performing Quality Assurance (QA) and/or Quality Control (QC) materials testing and inspection services. Our staff can provide a wide range of construction engineering services including asphalt and concrete mix designs; laboratory asphalt, soils, concrete, and aggregate evaluations; construction management and safety related services; geosynthetic materials evaluation and inspection; ICC Special Inspection; and, expert witness consulting on various construction, geotechnical, and/or construction materials issues.

Project Information

SAECO understands the project will consist of a new two-lane collector street along Centre Point Parkway, Carob Drive, and Hamilton Street with curb, gutter, and sidewalks. Elements of the project that will require construction materials testing include subgrade preparation, roadway paving, drainage improvements, and various utilities. We understand that the project will take approximately 11 months to complete. We have estimated an average of 2 trips to the site per week for materials testing. These trips will average 5 to 6 hours of on-site time per trip.

The attached proposal outlines our anticipated number of trips, hours and tests. Travel to and from the site is approximately 1 hour from our office which will be billed in accordance with the rates shown (travel time not included in the 5 to 6 hour estimate of on-site time per trip above). Additional trips, hours, and tests will be invoiced in accordance with the rates shown in this proposal.

Scope of Work and Fee Schedule

Miscellaneous Field Density Testing

SAECO will provide an Engineering Technician to perform sampling (if necessary) and testing during the placement of subgrade, utility trench backfill, and roadway aggregate base course in an attempt to evaluate the level of compaction achieved by the contractor. Field testing will include both nuclear density (ARIZ 235) and sandcone density (ARIZ 230).

Soils and aggregate requiring laboratory testing will be sampled and delivered to our AMRL accredited laboratory in Tempe, Arizona. Laboratory testing will include maximum density - optimum moisture (proctor) determinations. Additional laboratory testing will include sieve analysis and plasticity index for aggregate base course materials.

If required by the project specifications, or client request, air content and/or yield will be determined in accordance with ASTM C138, ASTM C173, or ASTM C231.

Our Engineering Technician will fabricate a set of concrete compressive strength specimens in accordance with ASTM C31. Unless otherwise directed, our Engineering Technician will fabricate a set of 4 test specimens. One specimen will be tested at 7-days, 2 specimens will be tested at 28-days, and the fourth specimen will be utilized as a hold cylinder in the event the concrete does not make strength at 28-days or additional evaluation is necessary. SAECO will transport the specimens to our central laboratory for compressive strength testing. The specimens will be cured in accordance with ASTM C31 during both the initial and final curing. Laboratory compressive strength testing will be performed in our CCRL accredited laboratory in Tempe, Arizona. ASTM C617 (capping) or ASTM C1231 (unbonded caps) procedure will be followed.

Based upon our review of the project requirements, we have estimated the number of trips below based upon a sampling frequency of 1 set of compressive strength specimens for each concrete placement which exceeds 5 cubic yards. An additional set of compressive strength specimens will be fabricated for each additional 50 cubic yards of structural concrete placed.
