

## Signal Light Improvement Plans for Higley High School

Shift existing crosswalk on Recker Road to the north. Modify Traffic light/pedestrian lights for student crossing at new crosswalk location. Modify concrete, curb and sidewalks for ADA compliance at new crosswalk and drive entrance. Modify curb and gutter in parking lot for modified drive entrance/exit at Knights Drive. New Signage and Striping for modifications to circulation in the parking lot and onto Knights Drive. Landscape and irrigation improvements both onsite and offsite.
