Project Detail: Replacing asphalt at the back fire lane of the middle school.

Project Date Range:

7/8/2024

TO

7/12/2024

Total Project Cost:

\$181,752.16

Adjacent Ways Cost:

\$140,152.73

Board Meeting Date:

Validation Status: Review Pending

Staff Analysis: 9/03/24

Hi Cody,

The project details and documentation don't reflect the changes requested. Please update the project details to coordinate the fire and bus lane. Adjacent ways funding is prohibited usage against parking lots. Please make the corrections and resubmit the revised documents as discussed on 8/22/24. If you have any questions, please let me know.

7/10/24

Hi Cody,

The project details and documentation don't reflect the changes as requested. Please update the project details to coordinate the fire and bus lane. Adjacent ways funding is prohibited usage against parking lots. Please make the corrections and resubmit. If you have any questions, please let me know.

Thanks, Tashma.

Hi Cody,

Please correct the project information. Adjacent funding is needed to improve the fire and bus lanes. Please correct the color overlay for the fire lane and bus lane. The vendor needs to adjust their quote to align with the project and resubmit. Parking lots are prohibited from using adjacent way funding. Please make the corrections and resubmit.  
Thanks, Tashma
