Staff Analysis: 8/14/2024 - Please update the application to reflect the "New" Schedule of Values dollars associated to the Adjacent Ways portion of this project that Kyle Kelly spoke of in his email. Please also upload the new cover overlay documents and the revised Schedule of Values.

7/10/2024 - The "Total Amount: for "Estimated Cost" needs to be updated to reflect \$78,895.00. Please have the color overlay include ingress and egress relating to the bus lanes and fire lanes for busses and firetrucks in that area, as well as student drop off sidewalks. Please ensure that design (cover overlay) includes a aerial view of the entire campus with the additions requested above. In the Schedule of Values there is no allotted dollars associated with "Striping" or "Sidewalks (for student drop off)". Please have this revised if this work is needing to be completed. Adjacent Ways funds covers Fire lane and Bus Lane related asphalt work only.
