RE: PUHSD – District Support Facility – Main Building – Contract Scope of Work

To Whom It May Concern -

Please see the below project description for the aforementioned project being submitted for SFB funding.

Scope of Work Description:

This project scope of work is to construct a new 3-story administration with 1-story service building attached. The new administration building will consist of new restrooms, offices, conference rooms, training room, staff lounge, and transportation management operations. The new service building will consist of restrooms, automotive equipment, automotive materials, and all necessary items for district transportation vehicles to be repaired.

Site work will consist of an all-new parking lot for staff and new parking lot for bus parking, new site lighting, primary power delivery, rehabilitated asphalt on all existing fire-lane pathways, new propane fueling and new vehicle fueling systems. Additionally, there will be new underground site utilities including domestic water, sewer, and storm drain along with landscape beautification through out the development.

If you have any questions or concerns, please feel free to contact PUHSD directly:
