Staff Analysis:	11/25/2024 - Thank you for correcting the Earthwork item. A \$12,600 A/E Fee was added to the Schedule of Values, which is not included in the original proposal provided for Chasse which makes the Adjacent ways total increase to \$124,347, which was not updated in the application in the Estimated Cost: Total Amount nor Adjacent Ways Amount sections. Please supply a revised quote from Chasse which documents the A/E fee or have the Schedule of Values corrected. In addition, if the cost of the project has increased, then the applications cost section is REQUIRED to be revised as well. 11/19/2024 - Please revise the Schedule of Values to move the Earthwork amount (as noted in the proposal) of \$31,023.00 to the correct category. 11/14/2024 - The following REQUIRED documents are missing from this application: 1. Schedule of Values 2. Stamped/Sealed Engineering drawings 3.
