**Staff Analysis:** 6/11/25 The(SOV and Map need to be updated.) Please upload the revised documents and resubmit. TWA

5/30/25 The(SOV) for on-site and off-site and district cost, as well as the scope of work, is unclear due to the use of the Adjacent Ways Validation. Let's schedule a meeting to discuss this application so that the SOV and scope of work layout can be validated.

5/19/25: The quote from the vendor does not match the SOV. Please have the district correct one or the other. Thank you. KC

5/14/25: The quote from the vendor does not match the SOV. Please have the district correct one or the other. Thank you. KC

The district resubmitted, and the site map is on the overlay documentation. TWA

Hi Chris,

5/12/25  
While reviewing your application, I noticed that your submission is missing the required documents. Below are the documents I need for you to resubmit for this Adjacent Ways validation.

These are the required documents to be submitted for approval.

(1) Vendor proposal (Missing)

(2) Site Map - Google Map of where the work is being done ( the district can do this to show the cross streets)  
(Missing)

(3) Vendor Site Map for the scope of work to be addressed. ( Engineering Drawings or Site overlay)  
(This was provided.)

(4) The Adjacent Ways SOV ( Schedule of Values). (This was provided.)

(5) Adjacent Ways Validation Submission Application (This was provided )

Please resubmit as soon as possible so this review can be completed for validation.
