Project Mountain Vista Academy – Replace Truncated Domes at Pedestrian ADA Ramps
1GPA 1GPA Procurement #23-15PV-11

In response to your request, RYTAN Construction is pleased to offer this bid proposal pricing for the above referenced project.

Scope of Work:

1. Demo and remove existing deteriorated truncated domes at the existing ADA Pedestrian Ramps in the front parking area of the school. Areas where the concrete is damaged will be removed and replaced with new concrete.
2. Provide new Yellow ADA Earning Pads-Truncated Domes attached to the concrete sidewalk ramps to replace existing. Areas are identified on the attached map.
3. Clean-up area after installation and dispose of all debris off-site in an approved manner.

Exclusions: Off hours/overtime, architectural or engineer drawings, permits, security, and any work not expressly included above.

Total Price with Sales Tax: \$36,288.00

Sincerely,

Sean Murphy
