<b>School:</b> District Project				
<b>Site Address:</b> 1419 Willow Drive. Mohave Valley, AZ				
<b>Project Title:</b> Transportation Center Modernization Project				
<b>Project Detail:</b>	The MVESD Governing Board has authorized the use of Adjacent Ways funding to support critical infrastructure improvements. This project will address safety, accessibility and compliance needs that directly align with the statutory purpose of Adjacent Ways funding-namely, improvements to fire lanes, bus lanes, sidewalks, curbs, utilities adjacent to public ways and traffic flow adjacent to school property. The District's transportation hub requires significant upgrades to meet modern safety standards and support current and future student transportation needs. Adjacent Ways funds will be used for, Fire suppression system upgrades to assist with underground fire line infrastructure, Water utility modernization and drainage grade improvements, site access enhancements, including road grading and traffic safety features within the bus yard, sidewalk and curb enhancements and underground utilities adjacent to public ways.			
<b>Project Date Range:</b>	3/26/2025	<b>TO</b>	7/15/2025	
<b>Total Project Cost:</b>	\$3,092,496.00	<b>Adjacent Ways Cost:</b>	\$1,189,649.00
