Project Title: Tumbleweed Parking/Bus Lane

Project Detail: The scope of work includes the construction of a new bus lane and turnaround at the designated bus drop-off and pick-up area, as outlined in the approved plans and specifications. A new driveway entrance will be constructed at the west bus drop-off on Laurel Lane to allow for left-turn entry and right-turn exit. Additionally, a new storm drain catch basin will be installed and connected to the existing drainage system. The project also includes the retrofit of two access points to the staff parking loop, along with a revised parking stall layout. Finally, a new fire lane and visitor parking area will be developed, featuring a separate entry and exit driveway, all in accordance with the project plans and specifications.
